

# Richmond Refinery Incident and Injury Free

**Good Morning Richmond Refinery,**  
Welcome to Week 7 of our 4th Quarter  
Loss Prevention Proactive Event.

This week, our thought provoker is  
**a refresher on how our personal decisions  
affect the success or failure of our safeguards.**

*Please visit the Incident and Injury Free website for  
your reference material.*

Do you use safeguards  
with excellence?
